Our dish descriptions don't always mention every single ingredient, so give us a shout if you're unsure. All of our dishes are made to order, so unfortunately calorie counts can only be approximate. If you have any specific dietary requirements, we have a great allergen menu to help you make a decision, just ask us for a copy (please note that allergens contained within our condiments are not included). Please inform staff of any food allergies prior to placing your order, even if you have eaten the dish previously. Our suppliers and kitchens handle numerous ingredients and allergens. Whilst we have strict controls in place to reduce the risk of contamination, unfortunately it is not possible for us to guarantee that our dishes will be 100% allergen free. Keep an eye out for any pesky stray olive stones, seafood shells or little fish bones. Vegetarians: sorry, but the Grana Padano cheese offered at your table isn't veggie friendly. Our freshly squeezed orange juice is lightly pasteurized. We place an optional 10% service charge on big groups of eight or more.
